Unless the ordinance effecting this annexation shall become effective prior to February 1, 1955, the City of Compton will be unable to assess, levy, or collect any taxes upon or from said area to be annexed, even though the costs of furnishing the necessary municipal services to said area must be borne by the City.

Dear Sir:

At the meeting held on July 28, 1954, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of July 13, 1954, of the proposed annexation of territory to the City of Compton.

Upon recommendation of the County Surveyor, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.
